

Superb Example Of An 8 Day Marine Chronometer By Frodsham And Keen, Liverpool

Sold

REF: 375986

Height: 19.5 cm (7.7")

Width: 21 cm (8.3")

Depth: 21 cm (8.3")

Description

A wonderful example of 19th century marine timekeeping, by the leading maker Frodsham in partnership with Keen

Housed in a super burr walnut three tier case fully brass mounted with original lacquer

The dial numbered is 2733 which is also found on the movement and the bottom of the bowl.

Eight day marine chronometers such as this example were made for private yachts.

The books show the dates of this working partnership to be 1856 to 1878
